To Okuma See & Co.

Minister of Foreign Affairs
to be to be

Dear Sir, It is now about twenty days since you informed me personally that you would give orders in 3 or 4 days for the Bullion we have imported under contract with your Government to be taken delivery of and paid for, but although I have made almost daily application to different offices to get the matter settled, and have sent our Bantars to your house also, we only get the same answer, namely, that, it will be settled in 3 or 4 days.

As this delay can only be construed or interpreted into an intention on the part of your Govt to break the contract made with my firm and as I am quite unable to wait any longer I am unwillingly compelled to inform you that if

You cannot see me tomorrow to
arrange about this business or if
you do not pay before noon the
amount due us, with interest at
1% per month, I shall be obliged
to place the matter in the hands
of H. W. M. Counsel for settlement.

At the same time I beg to
inform you that I already consider
you liable to me for the
penalty of \$5000 - for breach of
Contract -

Requisitions an immediate
reply

I am
Yours obedient servant
W. J. M.
