Dear Count & Countess Muma,

Much to our regret we
are obliged to leave Japan for
England on Tuesday the 13th: So I
fear I must deny myself the
pleasure with my husband of
coming to see you - We both enjoyed
your beautiful Garden Party very
much and thank you for your

arranged - We hope we may have
the pleasure of meeting you at
the Imperial Garden Party to-morrow.
With our kindest regards

Believe me
Sincerely yours
