Yokosuka May 29<sup>th</sup> 1875.

Dear Mr Kirai

I am just in receipt of your note by dispatch. In reply I would say the experiment can be made on Monday the 31<sup>st</sup> inst, at an early hour. The storm has not done any damage, but as I need some assistance from the Arsenal, I prefer to wait until Monday.

I shall therefore expect you on Monday at 12. M or the first fair day after.

Yours very truly,  
O S Boynton.
