# 亞細亞東部輿地圖

This is a historical map of Japan, likely from the Edo period, showing the four main islands: Hokkaido, Honshu, Shikoku, and Kyushu. The map is divided into numerous provinces (kuni) and districts (kai), with many place names written in kanji. The map is oriented with North at the top. The sea is labeled '海' (umi) and the Pacific Ocean is labeled '太平洋' (Taishuu). The map is framed by a grid of latitude and longitude lines.
