

the medicines used in disguising the taste of the
 Cod liver oil in this compound, acts as a powerful tonic
 to the stomach and general system, thus insuring its dig-
 estion and specific effect.

the formula for its preparation we have from Dr.
 Simmons who has used it for a long time in all
 cases where the oil is indicated.

The mixture contains 80 per cent of pure oil and
 must be well shaken before it is administered.

DOSE. from 2 to 4 drachms 3 times a day after
 meals.
