This woodblock print illustration depicts a scene from a Japanese narrative. A man, dressed in traditional courtly robes (kariginu), is seated on a raised platform (dais). He has a serious expression and is looking down at a small, stylized animal lying on the ground. The animal, which appears to be a cat or a dog, has a large, ornate collar (kumogata) with a fan-like design. In the background, there is a simple structure with a thatched roof and some foliage. Japanese text is visible in the upper left corner, including the characters "これら" (these) and "このち" (this place).
