JOHN M. SUMNER & C^o

MOSCOW.

Moscow.

31/13 Sept. 1908

My dear Mr. Sugimura.

I have received
your kind letter of 14th Aug.
from Omori, Tokio, and am
indeed pleased to hear that
your Round the World tour
proved a success.

I am sorry you have been
so unwell with neuralgia,
and hope you are now quite
well again.

I shall be very pleased to
make the acquaintance of
your Mr. Hasegawa, but
what is his address? Perhaps

you will kindly send me a
letter of introduction to him, or
give him one to me, so that if
he comes to Moscow I can be
of some service to him. - I shall
be pleased to give him any information
or assistance in my power.

I returned from Manchester
3 weeks ago, and now feel very
well indeed.

I wrote to you a
few weeks ago about my friend
Mr. Mousey, who is interested
in the silk trade. Perhaps the
following gentlemen of your
acquaintance would like to
do business with him: -

Mr. K. Haga. Tokyo.
Mr. M. Iyama. Kyoto

I shall be very glad

if you can arrange some business
for Mr. Mousey. - Kindly do
your best for him.

With kindest regards,
believe me, always

Yours very sincerely
J. Gutterman,
