Dear Marchioness Okuma,

it will give my  
husband and myself

the greatest pleasure

if you and His Excellency

the Marquis will come

to our cottage one day  
either for lunch at  
one o'clock or dinner  
at 6.30 p.m. whichever  
suits your convenience  
and please let me know  
which day you decide

on. Our invitation is  
extended to Mr & Mrs  
Okuma Jr. Everything  
is very simple here &  
may be rough to you  
but we shall be very  
happy if you graciously

Condescend to honour us  
by coming to our  
mountain hut.

With warmest regards  
and best wishes for your  
health, I remain,

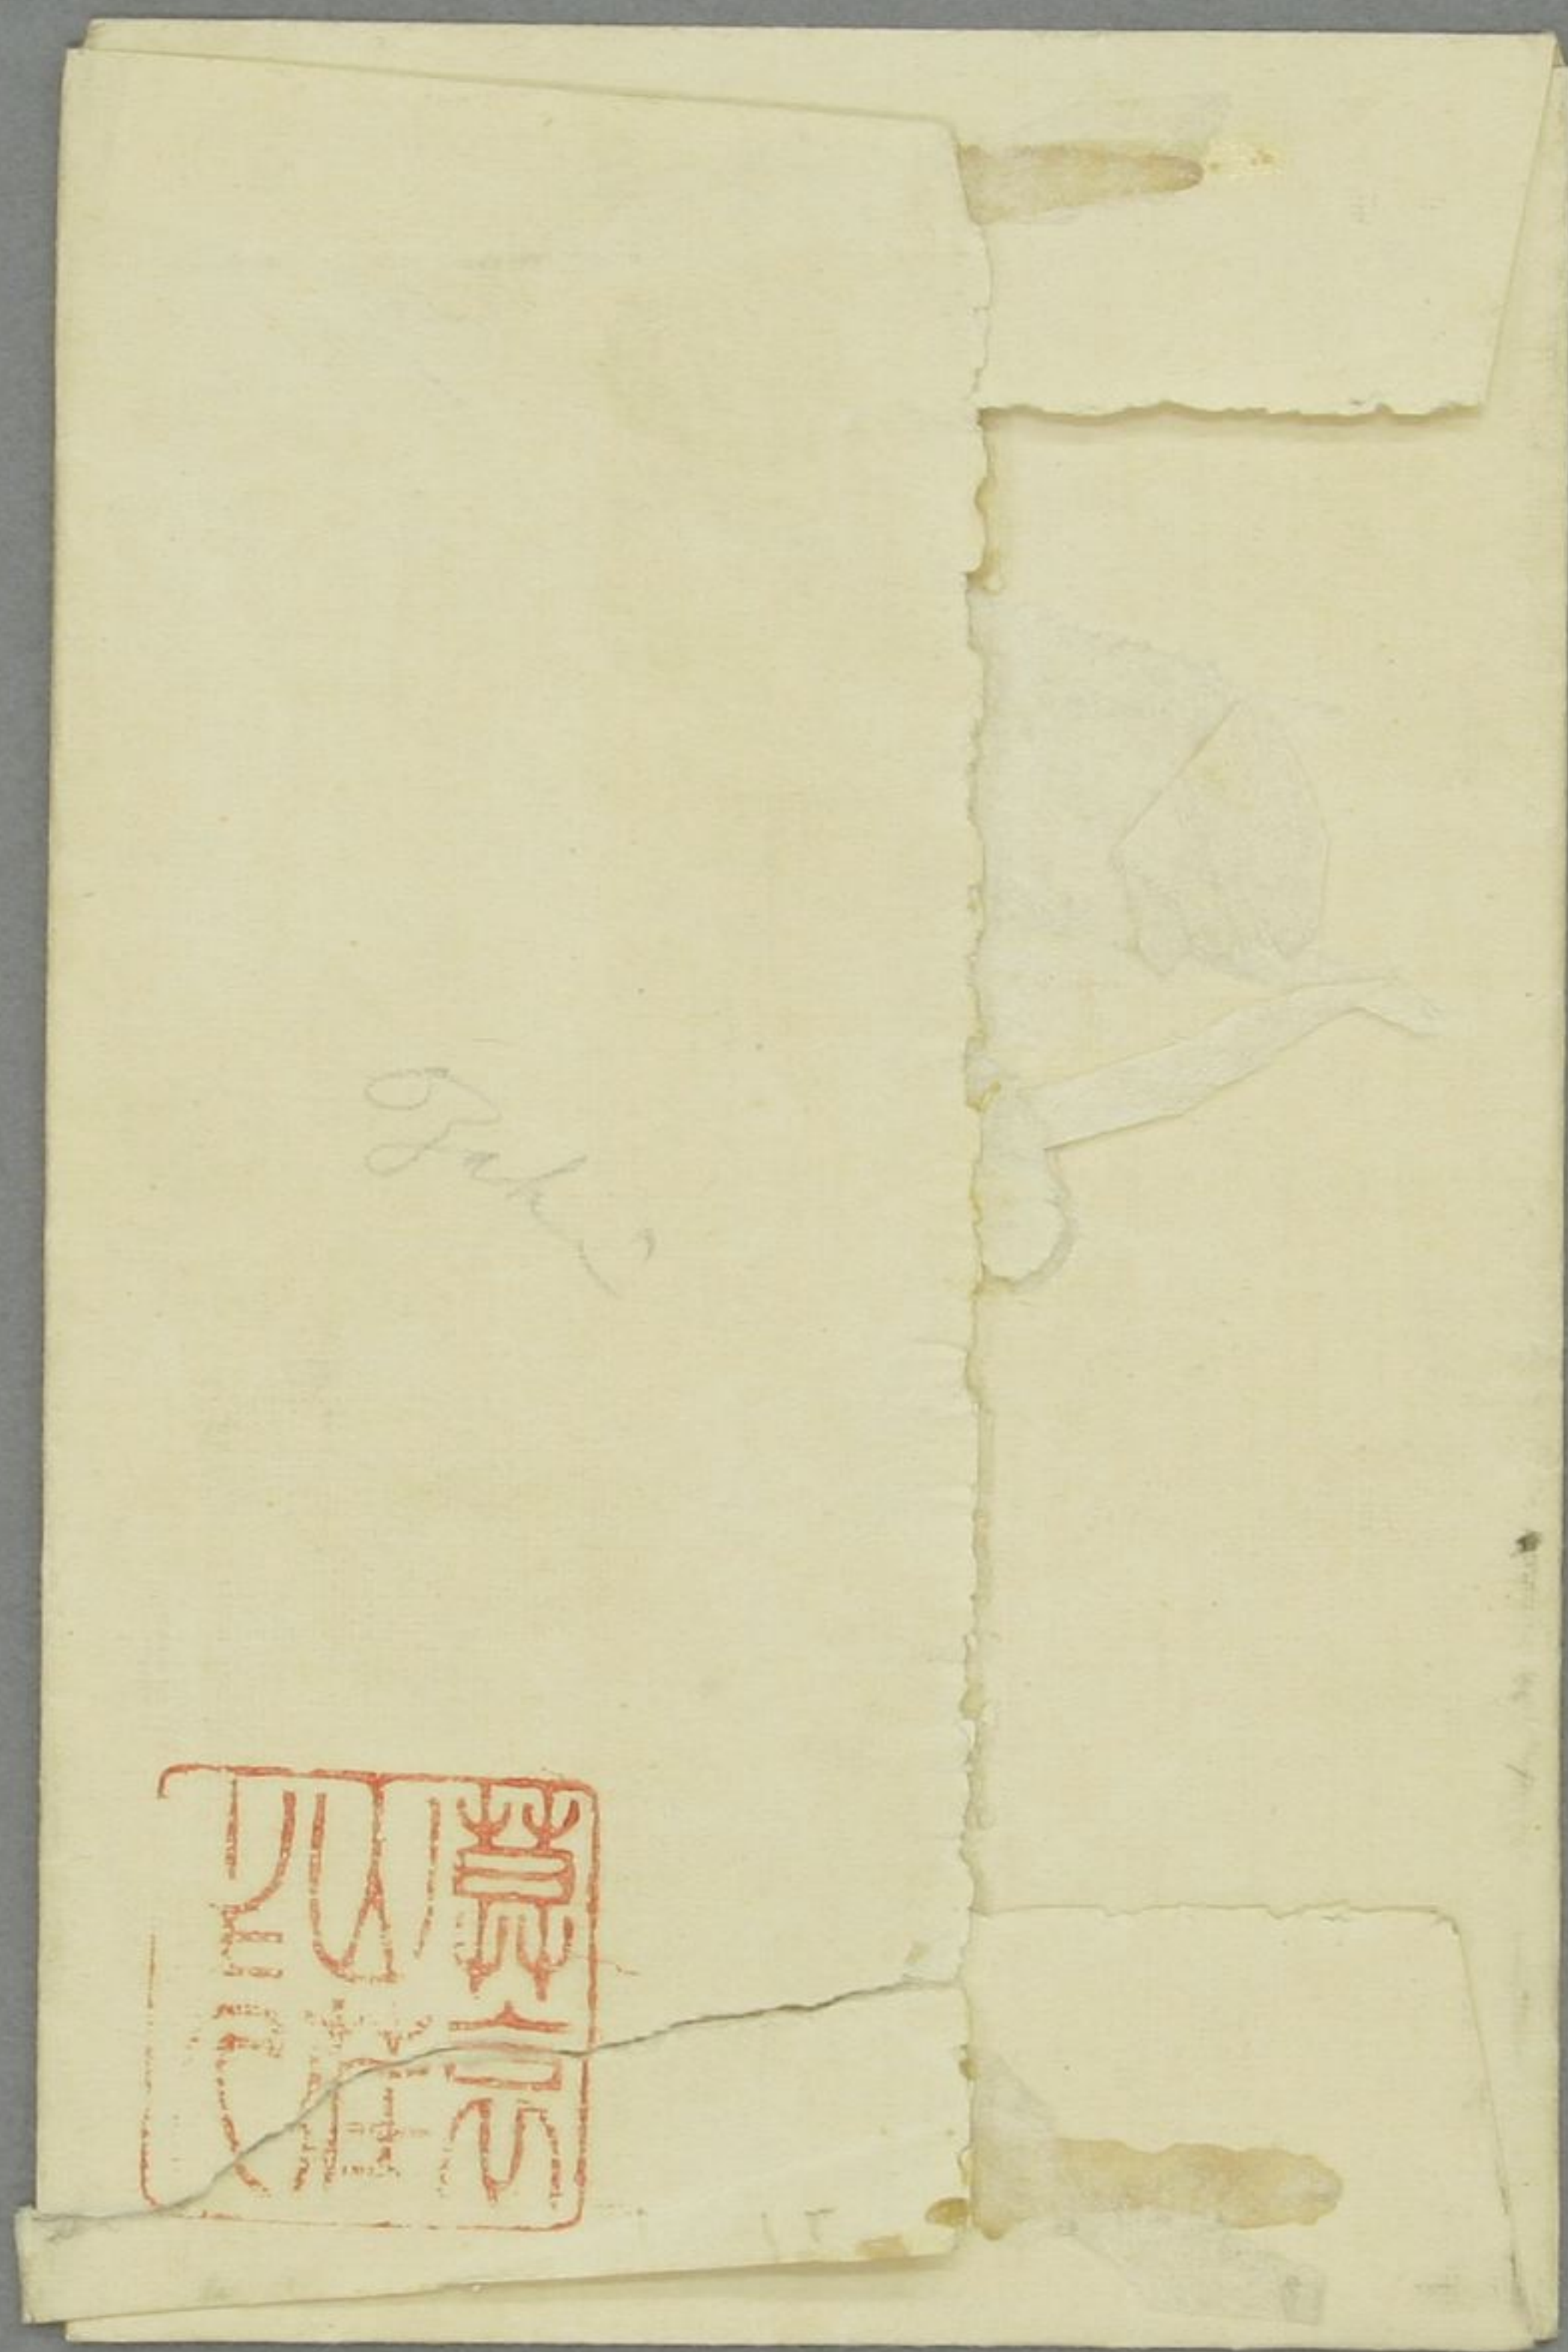

Yours devotedly  
Yi Zaki

Her Excellency
