To H. E.

Count Okuma.

Dear Count Okuma.

You must forgive me for taking for granted that you would speak to the ladies of the Monday Club when we met at your house on the 8th of December. I thought you would continue your subject of last year. But it is all right and I have arranged

Mr. Monnier Lima, Chargé d'Affaires
of Brazil will speak. It is
very kind of you to invite us to
your house and I hope we shall
have a large meeting.

With many thanks I am

Very truly

Ellis B. Pickett.
