My dear Sir

I much fear
you are not yet well
or you would have
been down at Yokohama
before now

I saw Sato & Okuma
yesterday - he go to
Osaka on Saturday -
The trip would do you
good too - Sary they
sent off very well at
Yokohama but I missed

You very much I did
not go into the feast
and it would
as he should have done
had you been with us

If you have not read
the account in the newspaper
I will send you one

Let me know how you
are
Yours faithfully

Wm. Cairns

Excuse how dear you
I have
