Dear Countess Emma!

Pravop photo sent me
yesterday evening the very
generous contribution of 200^{frs}

which you have her for

Mrs. Erdich's Hospital.

I cannot tell you how

gratefull I am to you for
your answer to my appeal
to my Japanese Friends,
through I have not the great
pleasure of knowing you,
but I hope you will receive
my heartfelt Thanks.

Miss Nichols will send
you a receipt with a letter

of thanks. She will also
after the end of the year
send in her accounts. She has
always done so, until the
last three years, when reu-
matism made her hands
so ill she could not write.
Now she has a secretary and
the old habit will be taken
up again. However her

accounts were always sent in
to the Genl-ship of Pharmacists.

Repeating my very warm
thanks, will you believe me
Dear Sir,

Yrs most sincerely

W. H. Garrison
