My Lady

You will find
on the Court Train
several hooks that
have to be fastened
on to the Court body
we have put pieces of
paper with numbers
and corresponding numbers
on the Train -

also three hooks to be
fastened to the waistband

of blue silk skirt
and one book each
side of the skirt
they are all numbered

We hope my lady
you will like all
the things sent
we have kept the pattern
and if at anytime you
might wish other dresses
sent if there is any
alteration required in
these if you will let
us know we can alter
the pattern to it

they are made the
same size as lining
sent

Trusting they will
meet your approbation

We are my lady

Yours Respectfully
Lejeune & Hawkins
