Mr Hirai

Dear Sir:

As I promised
you today and at the Request of Mr
Okama I have written the enclosed letter
for the information of our Council of S. F.
It is not so full as I could wish but was
as much so as I had time to prepare and
I hope it will assist him in explaining
the case to our Council when the case
is argued in the Appeal Court

I am

Yours truly

W. H. Hill
