My dear Count Okuma:

Greatly to my disappointment,  
The information which was promised  
to me does not come. I know that  
the Foreign Ministers have heard  
all about it; but Mr. Dun writes  
me that he cannot say anything.  
As soon as he tells me, I shall  
have much pleasure in sending you  
the news. I fully expected to get  
it today, and Mr. Dun expected  
to give it to me, but nothing comes  
except a note saying that he must  
wait. With regards, I am

Yours very sincerely, E. H. House.
