Hawaiian Legation,  
Tokio October 18th 1896.

My dear Count Okuma:

I regret that I  
am unable to call personally  
upon you to-day, as it  
has been my custom for  
several years.

I congratulate you  
always upon your  
escape from the hands  
of a dastardly Assassin,  
and that your life has  
been spared by a  
Divine Providence

for useful service to  
His Majesty the Emperor  
and this Country.

Believe me to be,

Always,

Sincerely Yours

R. Whinn

His Excellency

Count Okuma
