Your Excellency.

I have today completed the settlement of my business at the Nai Mu Sho, in conformity with the suggestions of your letter of June 5th, and have the honor to inform you that the payment was made in a manner entirely agreeable to me, and also that a valuable present was delivered to me by order of His Excellency the Minister of the Home Department.

The details of closing my relations, formally, with your government are now concluded; but before leaving Japan, I shall ask the favor of an interview with Your Excellency, not only for the purpose of taking leave, but more particularly to give assurance of my recognition of many acts of courtesy and kindness for which I am indebted, and to

place my services at Your Excellency's disposal in any manner it may please you to command them, either during my further stay in this country, or after my return to the United States.

Hoping for the pleasure of seeing Your Excellency without long delay,

I am

Your Excellency's obt. Servant
