My dear Sir,

I have to acknowledge your
note of this day's date - enclosing

a letter to Mr Davidson. I

will attend to the matter tomorrow.

Herewith please find a series

of maps & plans which I

would thank you to see

To Mr Okuma with
request to have them
annexed to Mr Jones'
last report forwarded
previously with my Memo

Mr Okuma had the
goodwill to send an officer

with his card, last night,
to inquire into the
progress of the fire,
and express his excellent
sympathy to ~~the~~ it had
sustained in my direction.
Kindly tell Mr Okuma
that I am most grateful

for the attention.
