Sakai, March 13 1878.

My dear Mr. Iwari,

In connection with
Mr. Leogima, I have to state
that I myself lost some money
on board the "Great Republic";
and, since I understand that
Mr. Leogima's trunk was sent
on board the steamer unlocked
and without his having apprised
any one that it contained money,
it is not to be wondered at,
considering the dishonest pro-
pensities of Chinese servants,
that his money was also stolen.

Very truly Yours,

Amasa Smith
