My dear Mr. Hira

I beg to hand you herewith  
One of the articles alluded  
to in our conversation with  
Mr. Sanjo, yesterday. Would  
you kindly send the same

Request to communicate  
the same to the  
Prime Minister who,  
as you know, expressed  
the desire to read it.

Next mail, expected to  
arrive at the end

will bring or more  
detailed account of  
Mr O'Rourke's nego-
