Dear Sir,

In reply to your telegram I beg to inform you that our next steamer is not due till the 9th September, the "Bambay" which brought intelligence that the Screw & Shaft would be sent up, arrived 6 days before her time & the Machinery in question was not sent up by her.

The "Bambay" if not sold, will return to Hong Kong with the steamer on the 2nd Sept and I would invite an early inspection of her if there is any intention to buy her.

I am, Dear Sir,

Yours faithfully

J. Hunter
Agent.
