Yokohama 8 Oct. 1870

My dear Ito
Will you kindly
hand enclosed to Mr.
Okuma as a small
keepsake; - the value is
small but it may some-
times help to keep me
in his mind, as both he
& you will often be in mine
I know very well how
hard both of you work for
the advancement of Japan
and rest assured that you
may always count on a
friend in yours truly
