Dear W. Okuma

M. Rodrigues, the
Spanish Minister stated
publicly last night that
\$50,000 had been paid to
me personally out of the
Japanese loan recently
raised in London

On asking that gentle-
man for the authority on
which he made this state-
ment I was greatly sur-
prised and ~~also~~ shocked
when he named you as his
informant

May I beg of you to
tell me what ground there
is for such a statement
