

M. Robertson has received Five silver Coins
and three Gold Coins as samples for the
die which he will send to England by French
Mail on 3rd Oct.

Oriental Bank Corporation

22 Sep: 1869

M. Robertson cannot say how many
will be required; but will ask the Bank
at home to send sufficient to begin
with - we may expect the die about end
of February or beginning of March.

M. Robertson cannot say what those
may cost; but will the exact price be
known when he hears from England.
