YOKOHAMA, January 27th. 1899.

Count Okuma,

Waseda, Tokio.

Dear Sir:—

By the last steamer, we received a list of Orchids of which our Mr. Siegfried has an over-supply in his collection, in Alameda, and about which we addressed you under date of October 6th. and November 2nd. 1898.

We, now have the pleasure of introducing to you, Mr. Nakamura, who has been with our firm during the last five years. He has a list of the Orchids which Mr. Siegfried wishes to dispose of, on account of the over-crowded condition of his hot-houses.

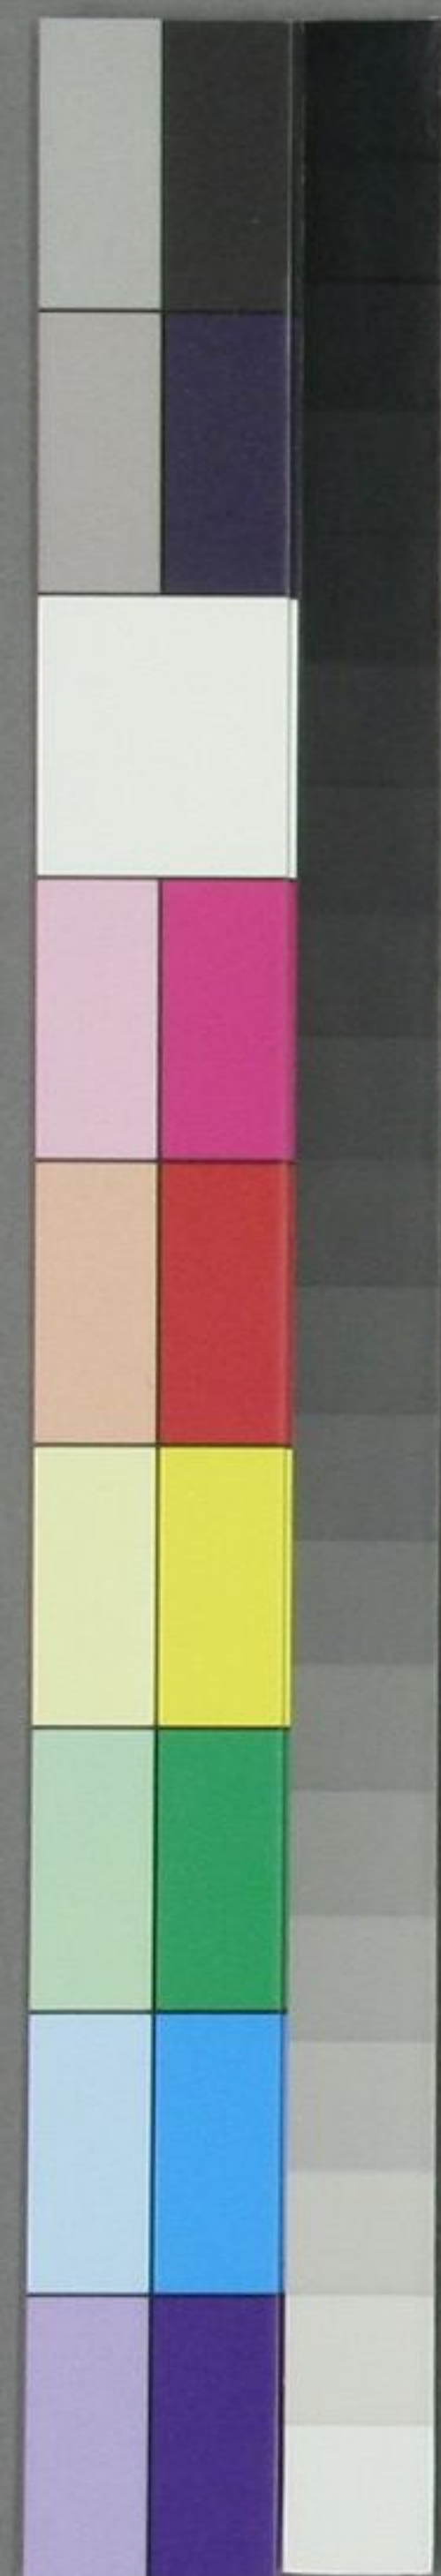

Knowing that you are an enthusiastic collector of Orchids, we trust that you will grant him an audience.

We remain, Dear Sir,

Yours Most Respectfully,

John C. Siegfried & Co.
