Dear Sir,

The "Glenryfe",
as you are probably
aware is making
a passage from
Chinkiang, which
port she left yesterday
with 2,500 troops,
Arms, accoutrements
etc, 33 tonnes, &
a quantity of

9 x 10^{lb} Guns, thus
showing her capacity
for conveyance of
Troops greater
than I supposed;

She will return
to this in a few
Days from Foochoo
I am dear Sir

Your Obedt Servt
