

854  
Naka

April 7<sup>th</sup> 1869

To The officers of the Imperial Mint Naka  
Dear Sirs

On a former occasion when I applied to you for a settlement of my agreement you referred me to the custom house - On application there today I was informed that the custom house authorities were unable to settle anything -

I shall be glad therefore to have my agreement settled as soon as possible.

I remain Sirs  
Your obediently J. Waters
