

Tokui Hotel

F. Okuma Esq

Dear Sir

I enclose you two
photographs of the mint
that I took before leaving
Osaka. They may help
to give you an idea of
the place as it now
looks.

I hear that the Japanese
Government are about
to establish gas works
at Yokohama. If I can
be of any use in the matter
I should be most happy

to do so. I have here
complete drawings of
all the machinery neces-
-sary, & have had much
experience in gas works.

I am dear Sir

Yours faithfully

J. Waters.
