

His Excellency
Okuma Shigenobu

During the six months ended
December 31 last the quantity
of gold received in London from
Japan reached the large sum
of £1,393,000 - equal to
nearly seven millions of dollars.
This statement is taken from the
London Times. Large shipments have
been made since then and by the
next P. & O. steamer nearly a
million dollars will be shipped.
I perceive that a very large quantity
of ribbons have been shipped.

Respectfully
G. B. Williams
