

My Dear Hidaka -

The enclosed letter came in answer to the one you sent for me.

He speaks, you see, of buying the horses also, but the price seems so inadequate that I do not like the offer. -

When you see Mr. Okuma, I think you had best say that the price is for all 550 yen in paper. - Or for the carriage 400 yen, harness 30 yen, horses 130 yen -

Yours truly,

D. Murray
