

To Their Excellencies,  
The Count and Countess  
Okuma, Miss Parrish  
wishes to express her  
deepest gratitude and  
most cordial thanks  
for the honor they  
conferred upon her  
yesterday by receiving

her into their distinguished  
presence. In all her travels  
this must ever give her most  
beautiful memories.

The noble thoughts express-  
ed by His Excellency, the Count,  
must always <sup>be</sup> an inspiration  
to her, too, in her work for  
the elevation and emancipa-  
tion of womanhood all around  
the world.

March 18, 1898.

Their Excellencies -  
Count and Countess Okuma.
